FOR IMMEDIATE RELEASE March 3, 2011 BUFFALO GROVE, ILL.

QCSS, Inc., a Chicago land outsource Call Center and Telemarketing firm announces acquisition of www.CallCenter-US.com , www.Telemarketing-US.com and www.USAContactCenter.com

"2011 has already proven to be a phenomenal year for QCSS, Inc. as well as for the clients we serve and we're looking forward to providing quality resources to buyers seeking niche Call Center partners they can trust to grow their business." said President and CEO Cathy Karabetsos.

Karabetsos continued, "We are honored that so many corporations have utilized our resources and we do not take lightly our responsibility to assist our clients in solid and consistent growth. Further, we realize the impact we have at the local, state and national levels for creating and maintaining jobs. Each time we dial, connect and provide a lead or appointment that converts to a sale for our clients, the economy moves.

From the person that answers the phone to the phone companies, to the prospective client agreeing to discuss assistance in filling a need, to pick and pack employees, to shipping or logistics involved, to all the management required-we create jobs, assist in moving goods and help to lift our economy-all of which we take very, very seriously. Nothing fills my heart more than to know we are proving food on the table for so many hard-working Americans".

Both new sites have been designed to make shopping for Call Center and Telemarketing services a cinch and hassle free. QCSS, Inc. will interview the buyer and then make the recommendation, matching buyers to Call Centers based on their specific needs for top results. We have partnerships nationwide with the best and brightest call centers and placing business where it is best suited, works for everyone.
